### **FARM SANCTUARY:**

Farm Sanctuary was founded in 1986 to combat the abuses of factory farming and encourage a new awareness and understanding about farm animals. Today, Farm Sanctuary is the nation's largest and most effective farm animal rescue and protection organization. We have rescued thousands of animals and cared for them at our sanctuaries in Watkins Glen, New York and others. At Farm Sanctuary, these animals are our friends, not our food. We educate millions of people about their plight and the effects of factory farming on our health and environment. We advocate for laws and policies to prevent suffering and promote compassion, and we reach out to legislators and businesses to bring about institutional reforms.

Farm Sanctuary is committed to ending cruelty to farm animals and promoting compassionate vegan living through [rescue](#), [education](#), and [advocacy](#) efforts. Please join us. A compassionate world begins with you!

The rescued animals at Farm Sanctuary love visitors as much as you'll love touring our farm animal shelters! Our sanctuaries are home to hundreds of rescued cows, pigs, turkeys, and other farm animals — and each has a special story. After meeting our farm animal friends, visitors can browse through our Education Center, filled with literature, videos, displays, and cruelty-free gift items.

**Companion Animals:** For their safety and the safety of our animal residents, companion animals are not allowed on guided tours or on the shelter grounds at any time. Dogs are welcome in our Visitor Center provided they are on a leash; however they may not be left unattended in the Visitor Center. Please do not leave companion animals inside your vehicle while you are visiting as temperatures inside of a vehicle can reach life-threatening conditions very quickly, even with windows open. If you are planning to bring your companion animals to Farm Sanctuary, please make sure that you have someone to watch them while you are touring our shelter. Thank you for your cooperation.

**DATE:** All year  
**TIME:** Contact to schedule  
**LOCATION:** One Wheatley Terrace  
Pittsford, New York 14534  
**COST:** Free  
**FOR:** See information below

**SUMMARY:**

Various needs for scouts to assist at parties and activities all year. Interact with, support and enjoy the senior age residents! Glenmere at Cloverwood is always in need of volunteers for weekends, such as Bingo on both weekend mornings, or other things such as crafts, music - they would provide all the materials. Time is flexible and can be an hour from start to finish. Two or three scouts is all that is needed for a "shift". You be the judge of your scouts' age (14 and up?), maturity, empathy - the residents love our outgoing scouts! Usually dates are available about a month in advance.

Glenmere at Cloverwood is an assisted living facility attached to an independent housing community. Some residents in assisted living (about 40 residents) have slight dementia (mostly short term memory loss), but the residents have no behavior or communication issues. The "Memory Care Unit" is for mid-level dementia (about 16 residents), but not at a level needing nursing home services. Again, the residents have no behavior or communication issues.

As a special, one-time event, on DECEMBER 9, 2012, they are having their Holiday Open House from 2:00 p.m. to 4:00 p.m., which is a cocktail party for the residents and their families. Glenmere would LOVE to have scouts bring around drinks and appetizers and help with clean up. [These type of events happen three or four times a year, so if you can not do this Open House, please contact them to volunteer for an upcoming one!]

## FARM SANCTUARY:

### Volunteer at the Shelter

Like the idea of spending time outside, gathering with like-minded people for a worthy cause, and hanging out with lovable farm animals all in the same day? Sign up for a Volunteer Work Party at Farm Sanctuary's New York Shelter!

**Work Party Goals:** The Farm Sanctuary Volunteer Work Party provides compassionate folks with a fun, positive opportunity to meet new friends, pitch in with chores and projects, spend time with rescued farm animals, and learn more about our sanctuaries and efforts to protect animals from abuse.

**Work Party Chores:** Work party chores and projects are determined according to our greatest and most timely needs. All work party days are devoted to activities that help us operate our sanctuaries, contribute to the success of our education and visitor programs, and further our campaign and fundraising efforts on behalf of farm animals. Farm chores and projects may include activities such as shelter maintenance and beautification (e.g., cleaning, raking, painting, and gardening) or administrative activities like stuffing envelopes. Work party chores are not glamorous and may be physically demanding and/or repetitious; however, every task assists us with carrying out our daily mission of rescuing, protecting, and caring for farm animals in need.

### Work Party Logistics: Watkins Glen, NY

The Watkins Glen work parties are hosted on the second Saturday of each month, April through November.

Due to hazardous and unpredictable weather, volunteer work parties will not take place in December, January, February, and March.

Work parties begin at 9 a.m., with a mandatory volunteer orientation, and end at 4 p.m.

All volunteers receive a complimentary tour of Farm Sanctuary during their visit.

Volunteers are encouraged to bring a vegan dish to share for a work party potluck lunch. This is a great time to get to know other compassionate individuals. If you have any questions about vegan food, please [let us know](#) and we would be happy to help.

Due to the nature of shelter work, we may not be able to accommodate groups of 6 or more. Large groups will be evaluated on a case-by-case basis.

**Underage Volunteers:** For important safety reasons, individuals aged 12 to 17 years must be accompanied by a parent or guardian in order to work inside any animal housing barns. Children under 12 are not allowed to volunteer on the shelter.

**Work Party Sign-up:** If you are interested in participating in a Volunteer Work Party, please help us learn more about you and any special skills you would like to share by filling out a volunteer application. After we receive your application, one of Farm Sanctuary's volunteer coordinators will contact you directly about signing up for an upcoming work party.

If you would like additional information about our Volunteer Work Party opportunities, please email [bthompson@farmsanctuary.org](mailto:bthompson@farmsanctuary.org) or call 607-583-2225 ext. 274, [www.farmsanctuary.org](http://www.farmsanctuary.org)

**Volunteer in Your Community:** Can't make it to one of our shelters? Then bring the sanctuary to your town by volunteering with Farm Sanctuary's *Compassionate Communities Campaign*! If you care about farm animals, one of the most effective things you can do to help them is by educating people in your community about the reasons for and ways to move toward a vegan diet. Every person who goes vegan or vegetarian will spare over 50 animals a year from a lifetime of daily misery. By persuading others to eat with compassion, you will save the lives of hundreds or thousands of farm animals every year! Visit the *Compassionate Communities* website and begin making your community a more compassionate one.

## Send Holiday Greetings to America's Heroes

While military deployments and hospital stays may keep many of our nation's heroes away from their families this holiday season, the American Red Cross is collecting and distributing cards that send words of encouragement, gratitude and cheer.

You can make a difference and give something that means something by sending a card of thanks and support to members of the Armed Forces, veterans and their families

The Red Cross and Pitney Bowes have received and distributed more than 4.7 million cards for members of the Armed Forces, veterans and their families since the program began in 2006.

The Pittsford Service Unit encourages all Scouts to ask their friends and family to participate in the Holiday Mail for Heroes activity.

Individuals are asked to refrain from sending "care packages," monetary donations, or using glitter or any other kinds of inserts with the cards. Please **do not include** your last name, address or envelope. More information and card requirements are at [www.redcross.org/holidaymail](http://www.redcross.org/holidaymail).

The Red Cross relies on the support of the American people to carry out its mission of service to the two million members of the U.S. Armed Forces, 24 million veterans and their families. During this holiday season, people also can support all Red Cross services by making a financial donation at [redcross.org](http://redcross.org) or by calling 1-800-REDCROSS. Individuals can also give the gift of life by making an appointment to give blood at [redcrossblood.org](http://redcrossblood.org) or by calling

1-800-REDCROSS.

Thank you for your donation!
